

Mica Creek Streambank Protection & Revegetation (Kootenai-Shoshone CD)

Program	Watershed Restoration
Lead Implementer	Kootenai Shoshone Conservation District
Funders	Idaho Department of Environmental Quality, Private Party
Project Primary Contact	Brad Shelton (Brad.Shelton@swc.idaho.gov)
Project Stage	Implementation
Duration	2020 - 2021

Natural Resource Projects & Practices ➤ Watershed Restoration

Streambank erosion, reduction of sediment delivery to Coeur d'Alene Lake Project was proposed to 319; did not rank high enough to get funded. Landowners and Property Owners Assn. want to continue to pursue stream repairs and protection. POA has committed \$150,000 toward the project.

No additional photos provided

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
